

# Porter Mat

Option 1-Print and laminate the mat and expression cards . Allow students to use playdough or dry erase markers to create various Porter expressions on the mat.

\*Option 2-Print the Porter mat and expression cards for each student. Have students cut out the expressions and place on Porter's face to show different emotions.

\*Behavior Management-Place in your cool down center to allow students to make Porter show how they are feeling.

**GOAL:** Explore emotions and expand feelings vocabulary.
