

# Porter Game

## \*Option 1:

- Print and laminate the gameboard, character playing pieces, and playing cards.
- Place the Porter cards face down. Students will take turns drawing cards.
- If they draw an item Porter should keep they move character to the closet YES space. If they draw an item she shouldn't keep they move to the closet no space.
- Students can re-stack cards if needed. The first player to the end wins!

## \*Option 2:

- Print and laminate the Porter playing cards and allow students to play memory games or "go fish." Note that a least 2 of each card is necessary to play memory games and "go fish."
